DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on May 15, 2006 has been entered.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The reasons provided by applicant for the allowance of claim 8 found in the Remarks received May 15, 2006 comprising page 5, ¶4 through page 6, ¶2 and the sentence beginning on the last line of the Remarks on page 6 continuing through page 7, line 4 are incorporated herein as the reasons for allowance of claim 8. Further, as claim 10 recites the all of the limitations of claim 8 identically with the further limitations "said top plate and said bottom plate each having an outer surface; said top plate outer surface and said bottom plate outer surface contacting each fastener tape", the reasons cited for the allowance of claim 8 are also incorporated herein as the reasons for allowance of claim 10.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
